🔗 My Portfolio

## 👤 PROFILE

Enthusiastic and driven Undergraduate Software Engineering student with a passion for developing innovative solutions. Currently pursuing a BSE (Hons) degree at the Open University of Sri Lanka (OUSL), with a strong foundation in software development principles and methodologies. Eager to apply academic knowledge in a practical setting and contribute to real-world projects. I am a self-learner who works well in a team and I am looking for opportunities to hone my skills and become a flawless developer in the future!
